

mind my feelings - Don't mind even - my pain
If my separation from You - brings others to You
and in their love and company - You find
joy and pleasure - why Jesus, I am willing with
all my heart to suffer all that I suffer - not
only now - but for all eternity - if this was possible.
Your happiness is all that I want - for the
rest - please do not take the trouble - even
if You see me faint with pain - All this is
my Will - I want to satiate Your Thirst with
every single drop of blood that You can find
in me - Don't allow me to do You wrong
in any way - Take from me the power
of hurting You - Heart and soul I will
work for the Sisters - because they are Yours. See
and every one - are Yours.
I beg of You only one thing - please do not take
the trouble to return soon - I am ready to
wait for You for all eternity -
Your little one.
